

## In vuaite – On guard

Tu stâs fasint i compits, doprant internet, cuant che si vierç un barcon di pop-up che ti vise che tu âs vinçût un premi straordenari. Ce fâstu?

1. Tu clichis subit: al è biel vinci alc.
2. Tu fasis fente di nuie e tu lu sieris. No tu âs vinçût nuie e se tu clichis tu larâs a finîle suntun sît che al provarà a venditi alc e il to computer al podarès infetâsi cuntun virus.
3. Tu domandis ce che tu âs di fâ a un grant di tô fiducie.
4. Tu clichis par viodi ce che al sucêt.

You are doing your homework, using internet, when a pop-up window opens and tells you won an extraordinary prize. What do you do?

1. You click on it: it is great to win something.
2. You ignore it and close it. You didn't win anything, if you click on the window someone will try to sell you something and you may risk a virus.
3. You ask what it is better to do to a reliable adult.
4. You click on it to see what will happen.
